

## Year 4 – Pre-teach poster – Autumn Term

### Whole class reading- Odd and the Frost Giants

Children may find it helpful to pre-read the chapter before we complete activities on it. Please try not to read further than we are working as we often predict what we think we happen next.

Read, Write Inc. intervention starts for Year 4 pupils who have been identified- you will receive a letter if this applies to you.

Early morning Lexia intervention has finished. Your child will have access to Lexia during school time and can also be used at home.

*Please note- this only applies to those children who are already using Lexia. Letters will have been sent home previously in the year.*

**If you require your child's login details, please contact their class teacher.**
